Jonathan Perfetto, *
Plaintiff, *Pro se*, *
v. *
Marc Cusson, Superintendent David Dionne, *
& Marie Blanchette, *
Defendants. *

2017 DEC 26 P 12: 03

No. 1:14-cv-00556-AJ

**PARTIES' STIPULATION OF DISMISSAL AS TO ALL
DEFENDANTS AND CLAIMS, PER FRCP 41 (a)**

NOW COME plaintiff Jonathan Perfetto, *Pro Se*, and the defendants, Marc Cusson, Superintendent David Dionne and Marie Blanchette, and file this stipulation of dismissal, as to all defendants and claims, for docketing, approval and application, stating as follows:

1. Federal Rule of Civil Procedure 41 provides in pertinent parts:
 - (a) Voluntary Dismissal.
 - (i) By the Plaintiff.
..... the plaintiff may dismiss an action
without a court order by filing:
.....
 - (ii) a stipulation of dismissal signed by all parties who have appeared.
2. The parties, via the plaintiff (and his agent, Karen Hart) and defense counsel (via the efforts of Captain Scurry of the HCDOC) have coordinated a means for the plaintiff to initiate and ensure submission to and acceptance by HCDOC of religious material which Mr. Perfetto seeks to be made available for other prisoners. The parties have agreed that this process will achieve the ends sought by Mr. Perfetto in the factual events underlying this case and would constitute sufficient bases for the parties to dismiss and non suit this litigation at this point.

3. The parties now request that the docket reflect dismissal of these defendants and claims, and that such entry be with prejudice, pursuant to FRCP 41 (a)(1)(B).
4. A copy of this is being provided to defense counsel serving as signatory to this pleading via ECF means (on Mr. Perfetto's execution and filing with the court).
See Local Rules 7.1 and 7.2.

WHEREFORE the plaintiff and defendants to this matter, enter into and docket this stipulation, pursuant to FRCP 41(a), and request that such disposition be entered, approved and this case closed on the docket, by agreement, and be voluntarily dismissed, *with prejudice*.

Respectfully submitted,

By: Jonathan Perfetto, *Pro Se*
